EXAMINER'S COMMENT

Election/Restrictions

Claims 1 and 12 are now allowable. Accordingly, the restriction requirement made in the Office action mailed on April 25, 2005 is hereby withdrawn. All the claims have been rejoined, and now allowable.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Kurisu et al. (US '404) does not show nor suggests "a conductor loop provided with said portioning plate, said conductor loop including a first conductor loop portion...and a second conductor loop portion coupled to said second resonant mode of a second dielectric resonator of said at least two adjacent dielectric resonators" as recited in claim 1, lines 10-14. Claim 12, lines 10-14 also recites the similar limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Seungsook Ham whose telephone number is (571) 272-2405. The examiner can normally be reached on Monday-Thursday, 8:00AM-5:00PM.
